Title of Collection: Federal Direct Loan Program Regulations for Forbearance and Loan Rehabilitation

OMB Control Number: 1845-0119

Type of Review: An extension without change of a currently approved collection

Respondents / Affected Public: Individuals and Households

Total Estimated Number of Annual Responses: 129,027

Total Estimated Number of Annual Burden Hours: 35,094

Abstract: This information collection for the Direct Loan (DL) Program regulations is related to regulations for forbearance in §685.205 and reasonable and affordable loan rehabilitation in §685.211. The Department of Education is requesting an extension without change of the current burden calculated for this information collection. Due to the COVID-19 pandemic and loan payment pause, there is not sufficient information to estimate burden changes. These regulations provide additional flexibilities for DL borrowers and permit oral requests for forbearance, as well as allow a borrower to object to the initially established reasonable and affordable loan repayment amount. In addition, if a borrower incurs changes to his or her financial circumstances, the borrower can

provide supporting documentation to change the amount of the reasonable and affordable loan monthly repayment amount. There has been no change to the regulatory language.
